Subject: February 25, 2013 T & E Committee Work Session Bill 41-12 and Bill 35-12
Attachments: AACBill41-12andBill35-12.doc

Dear Members of the County Council Transportation, Infrastructure, Energy, and Environment-T & E Committee. Attached you will find a letter from the Montgomery County Agricultural Advisory Committee as a follow up to the January 28, 2013 Work Session where these tree related bills were discussed.

On February 6, 2013 a meeting requested by T & E Chair Roger Berliner with leaders from the County's agricultural community was scheduled to discuss these tree related bills.

During these meetings there were several amendments that were suggested and the attached letter attempts to address these amendments.

Please let us know if you have any questions.

Thanks J
